## Litany

Leader: With sighs too deep for words, we gather to pray and seek your Spirit.

**Community: We humbly ask for Godly wisdom, justice, and peace.**

Leader: We seek the peace of your city, dear God; and we gather together to draw comfort and strength in one another.

**Community: As we come together, we remember the life of Atatiana Jefferson, and we pray our efforts honor her name.**

Leader: May you bless this time we have shared together today. May the prayers of our hearts be heard; and may the hopes we have for our community be realized.

**Community: With the light of hope we pray together, that the Beloved Community will come with peace and justice for all, everywhere. Amen.**

Benediction	Rev. William T. Glynn
